

You came for Mahakal. There is a better way to plan everything around it.

Three expert-curated journeys, all built around Mahakaleshwar first. Choose the time you need, the people coming with you, and what you would love to bring home from the journey.

Journey	Duration	Fare per person
1. Mahakal Darshan	1 night / 2 days	INR 5,999
2. Mahakal + Maa Baglamukhi	2 nights / 3 days	INR 12,999
3. Mahakal + Baglamukhi + Indore	2 nights / 3 days	INR 14,999

All fares are per person for at least two travellers. Confirmed land-package services are described by the selected pass. Temple-authority services, extra puja, home-city travel and personal expenses are separate unless written into your booking.

The most important difference

Mahakal-first journeys: Ujjain darshan, respectful temple planning, and optional Maa Baglamukhi or Indore experiences. The two-Jyotirlinga circuit: a separate multi-destination tour that adds Omkareshwar and has its own page.

PASS 1 / INR 5,999 PER PERSON

Mahakal Darshan Journey

1 night / 2 days. The main Ujjain temple experience, carefully arranged, with time to rest.

Day 1: Arrive and visit Mahakal

Pickup, hotel check-in, meals and freshening up come before the main darshan. Mahakaleshwar is the centre of the day. Mahakal Lok, Harsiddhi Mata and an evening at Ram Ghat depend on actual timings.

Day 2: The Ujjain temple route

Selected Kal Bhairav, Mangalnath, Sandipani Ashram and related local sites can follow, with departure adjusted to the group. If Bhasma Aarti is officially confirmed, rest and morning arrangements change accordingly.

What comes with it

One hotel night, MAP hotel meals (breakfast and dinner), agreed local AC vehicle, temple-route planning and support for the official darshan process.

PASS 2 / INR 12,999 PER PERSON

Mahakal & Maa Baglamukhi Journey

2 nights / 3 days, with a protected Nalkheda day.

Day 1: Mahakaleshwar and suitable local Ujjain experiences. Day 2: Drive to Maa Baglamukhi Temple at Nalkheda, about 100 km from Ujjain each way; allow time for the drive and darshan. Day 3: Remaining Ujjain sites, selected Chaurasi Mahadev stops where feasible, and departure.

Two hotel nights with MAP meals and route-appropriate private transport are included. Optional rites depend on temple administration and separate confirmation.

PASS 3 / INR 14,999 PER PERSON

Mahakal, Baglamukhi & Indore Experience

Two nights and three days, just INR 2,000 more per person than Pass 2, with Indore added on the way home where travel timing allows.

Day 1: Mahakaleshwar first

Arrive and prepare for the main darshan. Selected Ujjain experiences follow when convenient.

Day 2: Maa Baglamukhi

A suitable full day for Nalkheda, avoiding a rushed string of extra stops.

Day 3: Indore

Khajrana Ganesh, Chhappan Dukan food, and practical local shopping are planned around your journey home. Pitru Parvat may replace a stop if time allows. Clothing and styling suggestions are included as planning guidance, not a professional stylist appointment.

Your booking remains clear

Hotel in Ujjain or Indore is proposed according to darshan timing and the departure point. The pass includes two nights, MAP meals and confirmed local transfers. Any extra service must be approved in writing.

Before you reserve
