Your New Year, day by day

31 DEC 2026 | INDORE

Arrive at the confirmed group joining point. Your day is planned around arrival, group experiences, local food and the New Year celebration. The exact programme and timings depend on the confirmed departure.

1 JAN 2027 | UJJAIN

Begin the new year with Mahakaleshwar in mind: travel to Ujjain, darshan preparations and the group spiritual experience. Official temple access, rituals and timings remain under the temple authorities.

The real luxury is being present, not managing every detail.

The expert team reviews the final travel plan and joining details after booking. No guaranteed Bhasma Aarti or special darshan access is implied.
